

QUIP-MIST™ AND QUIP-DIP™

NOZZLE CONDITIONER AND ANTI-SPATTER

SAFE FOR PEOPLE, PARTS, THE PLANET AND YOUR PRODUCTIVITY

- HELPS EXTEND CONSUMABLE LIFE
- NO HARMFUL ODORS OR FUMES
- NO CHLORINATED SOLVENTS
- NO SILICONE OR HYDROCARBONS
- NON-FLAMMABLE
- NON-HAZARDOUS
- NON-TOXIC
- BIODEGRADABLE
- PAINTABLE
- WATER BASED
- WILL NOT PLUG OR CLOG FEED LINES AND SPRAYERS
- NO EXPIRATION DATE – MAINTAINS ANTI-SPATTER PROPERTIES AND COLOR VIRTUALLY FOREVER

American Weldquip introduces a major breakthrough in welding spatter control. Our QUIP-MIST™ and QUIP-DIP™ nozzle conditioner and anti spatter is a completely safe, “green”, environmentally friendly product that really works.

QUIP-MIST and QUIP-DIP is an exceptional performing, eco-friendly product that significantly reduces or eliminates spatter retention on weld nozzles, parts and tooling. Helps to extend the life of consumables, reduces downtime and increases productivity. When exposed to the welding arc the special blended formulation creates a protective barrier on the nozzle preventing spatter adhesion. In, addition, when applied to parts, tooling or fixtures, weld spatter accumulation is easily cleaned away.

QUIP-MIST and QUIP-DIP's special dual formulation can also be used as a degreaser to remove any process oils at the same time saving you time and money.

QUIP-MIST

Liquid Nozzle Conditioner/Anti-Spatter

A little goes along way!! Just a light mist is all that is required to keep nozzles, parts and tooling protected against weld spatter accumulation.

American Weldquip QUIP-MIST Nozzle Conditioner and Anti-Spatter has additional properties not normally found in competitive brands. The dual formulation not only protects against weld spatter accumulation but can be used as a degreaser for removing process oils from tooling and can be used to clean oils off parts leaving weld and paint ready.

These additional features will save you both time and money while increasing the functionality of our product.

Available in 24oz(.7998L) Spray, 1 Gallon(3.78L), 5 Gallon(18.92L) and 55 Gallon(208.20L) Containers.

QUIP-DIP GEL

This revolutionary product offers nozzle anti spatter protection on hot or cold nozzles. Will not clog diffuser gas holes or build up in the nozzle. **American Weldquip's** QUIP-DIP gel will noticeably help extend tip, nozzle and gas diffuser life.

Available in 1 lb.(.4536kg) Jar.

HOW TO ORDER

PART NUMBER	DESCRIPTION	SIZE	PACKAGING
870024NC	QUIP-MIST LIQUID	24 OZ (.7908 Liters)	SPRAY BOTTLE
870001NC	QUIP-MIST LIQUID	One US Gallon(3.78 Liters)	JUG
870005NC	QUIP-MIST LIQUID	Five US Gallons(18.92 Liters)	PAIL
870055NC	QUIP-MIST LIQUID	55 US Gallons(208.20 Liters)	DRUM
870001QD	QUIP-DIP GEL	1 LBS (.4536KG.)	JAR

TO OBTAIN MSDS SHEETS – VISIT OUR WEBSITE – www.weldquip.com or call 330-239-0317.

** QUIP-MIST AND QUIP-DIP are a water based product. When not in use it is important to keep the container lids on tight as evaporation can occur reducing the useful life of the product.
